Learn with Jayco is an online learning platform providing practical educational courses and digital learning materials. Courses may include video lessons, e-books, recipes, printable worksheets, templates, guides and other downloadable or online resources.

2. Eligibility and Account Information

You are responsible for providing accurate information when enrolling and for keeping your account details secure. If an account or login is provided to you, it is for your personal use only and must not be shared, sold, transferred or made available to another person.

3. Course Purchase and Payment

Course prices are displayed on the website or checkout page and are stated in Tanzanian Shillings unless otherwise indicated. Enrollment is confirmed after successful payment through the payment method offered at checkout. You are responsible for ensuring that the information you provide during payment and enrollment is accurate.

4. Course Access

Unless a particular course states otherwise, course access is provided digitally after enrollment. Access periods, where applicable, will be stated on the course or checkout page. Learn with Jayco may occasionally update, replace or improve course materials while maintaining the core learning experience.

5. Refunds and Cancellations

Any refund or cancellation terms stated on the relevant course or checkout page form part of your purchase terms. Where applicable law gives you a cancellation, refund or other consumer right, nothing in these Terms is intended to remove or restrict that right. For digital courses, access may begin immediately with your consent, and applicable legal rules concerning digital services will apply.

6. Intellectual Property

All course videos, e-books, recipes, written materials, templates, worksheets, graphics, photographs, branding and other original materials provided through Learn with Jayco are protected by applicable intellectual-property laws and remain the property of Learn with Jayco and/or their respective rights holders unless otherwise stated.

7. Personal Learning Licence

Your enrollment gives you a limited, non-exclusive, non-transferable licence to access and use the course materials for your own personal learning. You may not reproduce, republish, resell, distribute, upload, share, teach, licence or commercially exploit the course materials without prior written permission.

8. Baking and Practical Activity Disclaimer

Baking involves the use of ovens, heat, electrical equipment, sharp tools and food ingredients. You are responsible for using equipment safely, following manufacturer instructions, observing appropriate food-safety practices and considering allergies or dietary requirements. Course results may vary depending on ingredients, equipment, measurements, environmental conditions and technique.

9. Educational Disclaimer

Learn with Jayco provides educational content and practical guidance. Completion of a course does not guarantee a particular baking result, income, business performance, customer demand or other outcome. Business-related lessons and examples are educational and should be adapted to your own circumstances.

10. Website and Course Availability

We aim to keep the website and course materials available and functioning properly, but temporary interruptions may occur because of maintenance, technical issues, internet or third-party platform problems. We may make reasonable changes to the website, course structure or materials when necessary to improve the service.

11. Prohibited Use

You must not use the website or course materials for unlawful purposes, attempt to gain unauthorized access to systems or accounts, interfere with the website, or use another person's account or purchased access without permission.

12. Limitation of Liability

To the extent permitted by applicable law, Learn with Jayco will not be responsible for indirect, incidental or consequential losses arising from the use of the website or course. Nothing in these Terms excludes or limits liability that cannot lawfully be excluded or limited.
